

# WHY CHOOSE MAR-DUSTRIAL FOR FALK GEARBOX REPAIRS?

You're passionate about what you do. We're passionate about your success. When your success relies on having Falk gearboxes in great working condition, Mar-Dustrial gets you there with our repair services. Our Falk gearbox specialists take a comprehensive approach to repairs while minimizing your downtime, so you can get back to business.

## Experience the Mar-Dustrial Difference

**Falk RENEW facility:** Mar-Dustrial has one of the three authorized Falk RENEW facilities in the United States. Our shop is dedicated to repairing speed reducers and is equipped with:

- ▶ Lathes
- ▶ Boring mill
- ▶ Vibration analysis equipment
- ▶ High-pressure steam room
- ▶ Vertical press
- ▶ Adjustable test bench

**Around-the-clock repairs:** Need your Falk gearbox parts fixed quickly? No problem. We work around the clock to provide lightning-fast service. If you have a rush job, we'll have your Falk gearbox parts ready within 24 to 48 hours.

**Service protection:** All Falk speed gearbox repairs are guaranteed and backed by a one-year warranty.

**Above and beyond:** When inspecting your speed reducer and preparing it for reassembly, we'll recondition the unit so it operates in like-new condition. You'll also receive information about why it failed.

**Save money:** Restoring your speed reducer is easier on the budget than purchasing a new unit. Our fast turn-arounds minimize expensive downtime.

**Attention to detail:** Our meticulous speed reducer repair services include:

- ▶ Cleaning, disassembly and inspection
- ▶ Compiling an inspection report
- ▶ Providing you with a repair estimate with details about the unit's condition, a failure analysis, and a summary of the work needed to return it in like-new condition
- ▶ Repairs using only original manufacturer parts

**Full line of inventory:** Mar-Dustrial has the largest inventory of Falk surplus parts in the nation, as well as an off-site warehouse with complete speed reducers and housings. Our robust supply allows us to provide fast, cost-effective services.

In addition to servicing Falk gears, Mar-Dustrial gladly repairs speed reducers made by most other manufacturers, from Abort to Winsmith. With our Falk RENEW services, your Falk gearbox is in the best hands in the nation. Contact us today for more information.
