

WHY CHOOSE MAR-DUSTRIAL FOR YOUR FALK GEARBOX NEEDS?

Quality and affordability are within your reach when you choose Mar-Dustrial as your Falk gearbox vendor of choice. With the greatest selection of gearboxes and Falk gearbox parts in the industry, we're your one-stop-shop for all your power transmission needs.

When you shop from Mar-Dustrial's new, rebuilt and used inventory, you'll also receive the benefit of:

- ▶ **A history and reputation centered on quality:** In 1976, we began distributing Falk speed reducers and couplings, making the names Falk and Mar-Dustrial virtually synonymous.
- ▶ **The expertise of dedicated staff members:** When you work with Mar-Dustrial, you work with a team of knowledgeable Falk gearbox specialists who are happy to answer your questions and address your needs.
- ▶ **Commitment to customer service:** Your machines work around the clock. We do, too. A specialist is always on-call 24 hours a day, 365 days a year, to answer your questions.
- ▶ **Quick access to Falk gearbox parts:** Mar-Dustrial stores Falk surplus parts on-site and at a nearby warehouse. This means you don't have to wait long for the items you ordered and the completion of repairs.
- ▶ **Assistance finding the right parts:** You'll never have to guess about the Falk gearbox parts you need. As one of three factory-authorized Falk RENEW repair facilities in the nation, we carry the highest quality line of power transmission products.
- ▶ **Access to our network of suppliers:** If we don't carry exactly what you need, we'll tap into our network of suppliers around the world to hunt it down for you.

When you choose Mar-Dustrial, you choose excellence. If you don't see the Falk gears or components you need, we'll gladly help you find it. Browse through our inventory and start saving today.
